

REACH Declaration of Conformity

SUBJECT: Declaration of Conformity with the REACH Regulation regarding Substances of Very High Concern (SVHC)

UPDATE: ECHA SVHC Candidate List updated as of February 4, 2026

DATE: June 24, 2026

LOCATION: Parma, Italy

In reference to Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), Trancerie Emiliane S.p.A. hereby provides the following compliance statement.

REGULATORY CONTEXT

- **Supply Chain Communication:** The REACH Regulation establishes rules for the management of chemical substances, requiring continuous communication between customers and suppliers regarding the substances, mixtures, and articles they trade.
- **Company Status:** Trancerie Emiliane S.p.A. operates exclusively as a Downstream User of substances and mixtures manufactured within the European Union.

STATEMENT OF CONFORMITY

Trancerie Emiliane S.p.A formally declares that:

- The company does not qualify as a manufacturer or importer of substances under REACH; therefore, it is not subject to any pre-registration or registration obligations for the substances used in its manufacturing processes.
- The supplied goods are classified as articles under REACH provisions and do not qualify as articles intended to release substances. Consequently, no notification obligations apply.
- We maintain a continuous exchange of information with all suppliers to verify their REACH compliance status and ensure adherence to any applicable restrictions under Annex XVII of the Regulation.
- Our products do not contain any Substances of Very High Concern (SVHC) included in the REACH Regulation Candidate List in concentrations exceeding 0.1% weight by weight (w/w), in reference to the latest official update published by the European Chemicals Agency (ECHA) on February 4, 2026 (totaling 253 substances).

The SVHC Candidate List is periodically updated by ECHA and can be consulted on the official website:
